1. About RoboCup 2013

Dear all, this is the first newsletter from the local organization for the RoboCup World Championships 2013 in Eindhoven, The Netherlands. In this letter we will inform you about the important dates towards RoboCup 2013. Furthermore, also some initial information regarding registration, VISA and accommodations will be provided.

The competitions and symposium will be held from June 24 to July 1, 2013. The competitions will take place at the Genneper Parks in Eindhoven. The venue is constituted of the Indoor Sports center and the Ice Skating center, together offering over 18.000 m² of open floor space. The different halls of the venue are within walking distance of each other.

The city of Eindhoven has an excellent accessibility from all directions by car, train and airplane. The venue is in the proximity of public transport and hotels of various price ranges.

2. Important dates

In the tables below you can find the important dates of the senior competitions, the junior competitions and the symposium.
